Notices:

The following modules or module sub-achievements can be transferred for the Master's degree program in accordance with the study and examination regulations of July 8, 2024. Please fill out the following table completely. If you have any comments, please use the space provided on page 3.

The study and examination achievements must be proven by the transcript of records (Campus Management). The change of the study and examination regulations requires a processing time of between 3 – 6 weeks. The change of the study and examination regulations can only take place before the registration for the MA thesis (at least three weeks before the registration date) or after successful passing of the MA thesis, if a change to complete module achievements should still be necessary.

The request should be submitted exclusively by e-mail with the supporting documents and completed application form as PDFs to: PB-MA-SOZIOLOGIE@polsoz.fu-berlin.de
